

Google Open Source

Learn about open source

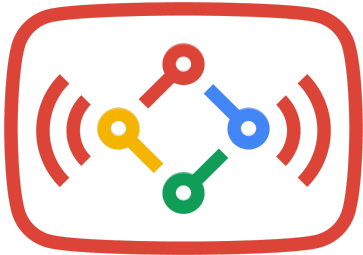

[Google Open Source Website](#)

[Google Open Source Blog](#)

The latest news from Google on open source releases, major projects, events, and outreach programs.

Join our events

[Google Open Source Live](#)

Google open source experts are hosting monthly events. Each event includes multiple sessions and a live Q&A forum followed by an After Party on Google Meet: it's an opportunity to connect with the speakers and other attendees!

Useful resources

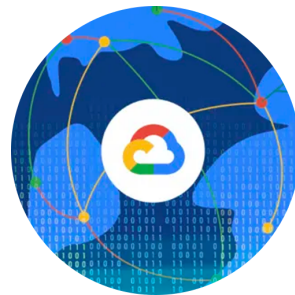

[Google Open Source Docs](#)

In the spirit of openness, we are publishing our internal documentation for how we do open source at Google. We invite you to take a look behind the scenes at how we use, release, and support open source projects and communities.

[Google Open Source Community](#)

Learn about Google Summer of Code, Google Season of Docs, OSS-Fuzz, Affiliations, and more!

[Google Cloud](#)

Meet your business challenges head on with cloud computing services from Google.
